WORK EXPERIENCE

Intern – Racks and Rollers, India

Feb 2020 – May 2020

Explored user flows for a web-based warehouse management system. Built interfaces using React/Material-UI framework.

QA Intern – Jumpstart Games, India

June 2019 – September 2019

Tested various Jumpstart Games and Products on different platforms. Checked for usability and reported bugs.

Intern – Just Dial, India

June 2018 – July 2018

Developed a React/Python-based recommendation system that displays news based on language and categories.

Intern – Hatti Kaapi, India

June 2017 – July 2017

Conducted market research to redesign the website. Devised different variations, user flows and created wireframes using index cards.
